

## Communicating With Presbytery of Coastal Carolina

### Get Email News

Presbytery uses a bulk email announcements and news system, there is no charge. ANYONE in the presbytery can sign-up for the email news. From 4 to 6 messages are sent each month. Sign-up at [www.presbycc.org/latest-news/enews/](http://www.presbycc.org/latest-news/enews/) Currently 910 people subscribe.

### Print Newsletter

The Connections Newsletter is published quarterly and mailed to churches that do not have computer access. It is also posted to the Presbytery website. New editions are announced through email. [www.presbycc.org/latest-news/connections/](http://www.presbycc.org/latest-news/connections/)

### Website [www.PresbyCC.org](http://www.PresbyCC.org)

Many resources & ideas. Calendar of Events. News. Grants. Scholarships.

### Helpful Hints about the new website:

- Use the **search box** to find things quickly
- At the top right the **Menus** – note that all items are clickable including the first one.
- **Comments-Discussion** is active on some article on the website (look at the end of an item)
- **EVERY Church has a listing** on our site under “Contact Us - Churches” Is yours accurate?
- If you enjoy something on the site, try **sharing it to social media** by clicking the “share” buttons.
- The **Presbytery directory is online** on the FORMS page. It is an Adobe-PDF download. The passcode to open it is pcclisting. The passcode prevents google from indexing the contents of that file, improving privacy.
