

Discover the Mission of Christ in the Long Term Disaster Response Work

Opportunities for Volunteers & Youth Groups

Use www.CrisisCleanUp.org to find active and ready worksites. On this site you register your work group and find ongoing opportunities where your particular skills are needed and welcome. This site helps you coordinate with other groups so that no particular site is overloaded. *Tracking volunteer hours helps get more grant funding to communities.*

Many groups are needing additional “walk-in” volunteers. Please go to NCVOAD (ncvoad.org) website to learn of opportunities.

Contact **Habitat for Humanity** in Fayetteville where several homes were severely damaged by flooding. Fayetteville Area Habitat for Humanity is ready for volunteers to help the homeowners rebuild. Contact office@fayettevillenchabitat.org 910-483-0952

Community Leaders are needed for both the Cumberland Disaster Response Coalition (www.cdrcnc.org) (Contact Laura Lupton) and the Long Term Recovery Committee that will be forming in Lumberton (contact Rev. David Ruth davidruth@fpclumberton.org). These groups need coordinators, communicators, grant writers, committee leaders, etc. a 1-2 yr commitment.

Hospitality for Work Groups

Have Floor space, a shower and a kitchen?

Great! Host a Group...

Church Groups are asking, “We want to send a work group on dates A to B, what church might host us for that week?” If your church is willing to host a group in a needed recovery area, please let [Laura Lupton](#), [Nancy Gladden](#), [Clarence Page](#) or [Bill Reinhold](#) know, we will put groups in touch with you directly. **Groups could also be hosted in a vacant rental homes or similar situation.** The need for group hospitality will be ongoing for the next 2 years. Lodging is especially needed near **SE Duplin Co (Wallace/Beulaville) & NE Pender Co (Burgaw)** Anywhere in **Robeson Co** and **Cumberland Co (Fayetteville)**

Warehouse space is needed to receive deliveries of food and water and other rebuilding supplies. If you know of space, we may be able to locate people to manage it.

Supplies – Materials – Monetary Donations

Most helpful are **gift cards and financial support.** This helps the local economy and people can purchase the exact items they need for recovery.

Clean up buckets (Kits of the Heart) are in urgent demand. Learn more at pda.pcusa.org/page/kits/ and cwskits.org/assemble-kits/emergency-cleanup-buckets/

CAUTION: Please only collect items that you **KNOW ARE NEEDED** (Ask) and for which you have a destination to receive the items collected. Needs change week to week. **DO NOT DONATE CLOTHING** (Thank you for offering but clothing is not needed at this time.)

Financial Donations:

Presbytery of Coastal Carolina, 807 W King Street, Elizabethtown, NC 28337 “Disaster Relief” Funds donated to Presbytery will be distributed to churches offering aid and that are rebuilding.

Communication/Coordination Who to Ask?

Duplin, Onslow and Pender Counties: Nancy Gladden NancyGladden@presbycc.org (910) 284-0581 & Phil Gladden 910-284-6563 drphil@wallacepresbyterian.com

Cumberland Co and West Community:

Laura Lupton LauraLupton@presbycc.org 910-818-9938

Bladen, Columbus and Robeson counties contact:

Clarence Page ClarencePage@presbycc.org (910) 301-1088

FEMA Registration Information: Any individual who has suffered loss or damages due to Hurricane Matthew is encouraged to **register with FEMA** for assistance at www.DisasterAssistance.gov or by calling 1-800-621-FEMA (3362). Operators are standing by to assist in multiple languages. **The registration deadline is Dec. 9, 2016.** There are several assistance programs available for the under insured, displaced persons, and more. If in doubt, please register.

Use www.nc211.org - United Way’s 211 service – to help individuals with specific needs. (Or Dial 211 from any phone).
