Presbytery of Coastal Carolina
Central Missional Community Gathering
General Presbyter – Stated Clerk’s Report
June 3, 2017

Greetings in the name of our Lord Jesus Christ! I am **delighted with the progress** that we have seen across our Presbytery since we first gathered in our three Missional Community Gatherings this time last year. Thanks to the leadership of your fine steering team and the hard work of many, many dedicated members of this community we are further along the road to building the sort of fellowship and shared mission that you indicated that you were thirsty for when so many of you took part in the *Listening, Learning, Dreaming – Together* process in 2015. Now a short two years later we are seeing those dreams come to reality. Thank you!

Our new vision statement calls for **three key areas of work** within each of our communities: 1) Christian formation, 2) shared mission, and 3) congregational vitality. Real progress has been made in each of these areas. I challenge all of you gathered here today to keep looking for ways in which you and your congregation can be an active partner in this work.

In March we voted on the **proposed amendments** to the *Book of Order*. The Stated Clerk of the General Assembly has informed us that all of the proposed amendments were approved by enough of the presbyteries to become part of our constitution. A new *Book of Order* representing these changes (2017-2019 Edition) will be coming out later this summer. Please be sure that you have an up-to-date version when they are available. Printed copies or free downloads will be available at <http://www.pcusastore.com/>.

One of the changes that will effect all of us is the clarification that each council of the church have a Sexual Misconduct Policy (often called a Safe Church Policy) AND a **Child and Youth Protection Policy**. Over the next few months each congregation needs to be sure that it has both of these policies in place and is following them. *Sample policies can be found on the Presbytery website* along with suggestions and resources for adapting them to fit your particular situation. The Mission Cabinet has approved the Presbytery’s Child and Youth Protection Policy on behalf of the Presbytery as authorized by the March 25, 2017, meeting of the full Presbytery. This policy has some important details that you might want to consider as you put together your policy, but it should not be copied directly since the presbytery’s policy does not deal with such things as Sunday school classes and teachers, church outings, and church vehicles.

Some of us pastors are beginning to get renewal notices from **SafeGatherings**. By Presbytery action in 2015 your certification from SafeGatherings is good for three years. The notice which you have received (or will receive soon) is a warning that you have one year in which to sign up for, take the training, and re-do the background check with SafeGatherings. The Presbytery appreciates the efforts that each minster is making to assure that our congregations are indeed friendly and SAFE places for our children and youth.

The Nominations Committee will be meeting on May 27th to select a slate of **nominees for commissioners to the 2020 General Assembly** in Baltimore, Maryland. These commissioners *may be* called upon to serve next year if the principal commissioner is not able to attend the 2018 GA in St. Louis, Missouri. As soon as the Nominations Committee completes its work this slate will be posted on the Presbytery website as a supplemental item to the packet of information for your gathering. This slate comes to you for a first reading and will not be acted upon until the October 14th. At that time nominations can be made from the floor in addition to the slate proposed by the Nominations Committee.

At the same time that so many great things are happening across the Presbytery the continued decrease in **giving to the mission of the Presbytery** is of great concern. The overwhelmingly vast majority of the budget of the Presbytery is spent in supporting the mission and ministry of our congregations. The *attached flyer* points out many of the ways that all of us who make up the presbytery support our common ministry. Please study the Giving to Date sheet in your packet and affirm what is going on in our midst by your congregation’s contributions. Thank you!

Bill Reinhold, General Presbyter and Stated Clerk
