I believe we are created for relationship with God, to enjoy and glorify God forever.

I believe God is the sovereign creator of all that is, who calls us into covenant relationship with God, each other and all creation.

I believe that sin is the rejection of God's providence and sovereignty, the desire to be God instead of God's.

I believe that Jesus is the Son of God, fully-human-fully God, the Word of God made flesh, who came to dwell in our midst and reveal God's will for our lives.

I believe we are saved from our sins by grace through faith in what God has done and made visible through the life, death and resurrection of Jesus the Christ.

I believe in God the Holy Spirit, everywhere the giver and re-newer of life, by whose power at work in us is able to do far more than all we ask or imagine.

I believe that the Bible is the written Word of God, the unique and authoritative witness of God's work and presence in the world.

In Baptism we act out our belief that God chooses us before we choose God. See what love God has that we should be called the children of God.

In the Lord's Supper we remember and act on our belief that God alone in Christ through the Holy Spirit is the source and giver of new life that feeds, sustains, and unites the Body of Christ.

I believe that as the people of God, called out – the Church, we are to be a visible demonstration of God's power in deeds of love and mercy, to be a light to the nations, proclaiming the Good News of the Gospel and living out that Gospel in our daily lives.
