Dress Guidelines

The way we dress at Montreat reflects the character of the Christian community that we are trying to build together. College Conference participants should not wear clothing that:

--advertises alcohol, tobacco products or other substances abusive to the body.

--contains language or images that ridicule a person's gender, sexuality, or geographic/ethnic origin.

Cell Phones at Montreat Youth Conference:

We recognize that the use of isolating technology prevents us from being fully engaged in conference activities. Therefore, the Montreat Camp & Conference Center requests that we use cell phones in a way that helps **build** community.

As a sign of respect, please put away cell phones during worship, keynote, and other group meetings (back home groups, small group meetings, etc).
